

2014 Design Review Committee Report

DRC Members-Steve Boone, Steve Villano, Philip Walters

2013/2014 Projects

On October 21, 2013, Ken and Pam Surabian submitted an application for review to begin construction of their home on lot 19. That application was approved on November 21 and site prep began shortly thereafter. The construction is currently in progress.

On April 25, 2014, Steve and Gem Boone submitted landscaping plans for a flagstone patio and stone staircase to be installed in front of their home at lot 23. The project was approved and the construction was completed in early July.

On June 16, 2014, JR Baker submitted plans for review for a detached two car garage to be built behind his existing home on lot 28. Those plans were approved on June 27 and the construction is currently in progress.

On July 26, 2014, Steve and Chris Villano submitted a request for review to install fencing around their home for animal control purposes. That application is currently under review.
