

## **2015 Design Review Committee Report**

**DRC Committee Members:** Steve Boone, Steve Villano, Phil Walters

### **2014/2015 Projects**

On August 8, 2014, approval was granted for an application previously submitted by Steve Villano and Chris Groll, lot 17, requesting construction of a fence around their house for animal control purposes. The fence was completed shortly thereafter.

On August 12, 2014, Jim and Lynn Fritz, lot 24, submitted an application requesting replacement of an existing retaining wall behind their house with one consisting of larger boulders. The application was approved and the project completed.

On October 4, 2014, Jim and Lynn Fritz, lot 24, submitted an application requesting the replacement and enhancement of their entry gate. The application was approved on October 9<sup>th</sup>, and the project was subsequently completed.

On February 14, 2015, final details were received from Ken and Pam Surabian, lot 19, regarding a landscaping and fencing plan for their house. The project is currently in its final stages of construction.

On May 03, 2015, a landscaping plan was approved for Tom and Sue Ann Olson, lot 25.

On August 10, 2015, a landscaping plan was approved for Phil and Linda Walters, lot 20.

Submitted by Steve Boone, DRC Chair
